

Japan Cosmetic Center (JCC)

Membership Application Form and Advantages for Overseas Companies

How to Apply

- Fill out the membership application form below and submit it to the JCC office via email (info@jcc-k.com).
- Ensure that the fields for both the "Representative" and the "Contact Person" are completed.
- Include a copy of your company profile or other related documents.

Registration Process

1. After receiving the completed application, JCC will review the information.
2. Upon approval, JCC will send you an invoice for the annual membership fee.
3. Membership is activated once the payment is confirmed.
4. The "Member Registration Notice" will be sent via email. If you prefer to receive the document by post, please contact our office in advance.

Note:

** Overseas applicants are responsible for any bank transfer fees.*

** Membership fee remains the same regardless of the time of admission during the fiscal year.*

Membership Fee (2025)

Membership Advantages

1. Regular Industry Reports

As a member, you will receive regular reports on the Japanese cosmetics industry, including:

- Market trends and analysis.
- Information on emerging technologies and innovations.

2. Promotion of Member Events

JCC will promote seminars, workshops, and other events organized by your company to our network, including promotional support within the JCC network.

3. Business Matching Services

JCC offers opportunities to connect with:

- Japanese companies specializing in cosmetics production, packaging, and materials.
- Potential partners for joint ventures and collaborations.
